product brochure

“**Just** brings order and clarity to your work life with its simplicity and timeless design. Inspired by the Bauhaus movement, **Just** adds a sense of calm to office environments with its sharp lines, aesthetic stance and unobtrusive details. The executive desk, featuring a spacious tabletop, offers an ideal space for team meetings and collaboration processes. Thanks to its storage areas, it ensures an organized and clutter-free work experience. Designed to create a productive environment for both individual and team work, **Just** aims to enhance efficiency by simplifying the work experience.”

Utkan Kızıltuğ

# JUST

Inspired by simplicity and clarity,  
**Just** provides a spacious, organized  
and functional workspace amid a busy  
work schedule.

The meeting extension at the front of the desk not only offers executives a comfortable and expansive work surface but also serves as a practical and functional communication area for team meetings, one-on-one discussions, and daily planning.

The various sizes of pedestal units and console cabinets in the product family bring smart storage solutions, while the accordion-style cabinet door option adds a prestigious and elegant touch to executive offices.

**Just** creates a professional,  
minimalist, and serene  
atmosphere in your office  
while making work processes  
more efficient.
